Written on behalf of 852 of investors with US\$66 billion in assets

Scoring and Report Writing Partner

SABANCI
UNIVERSITY

Deloitte

Turkey Report of CDP Climate Change Program is released to the public by Sabanci University Corporate Governance Forum under the sponsorship of Akbank and with the support of Deloitte Turkey's rating system and report. The report was released at the meeting organized in Sakip Sabanci Museum, the Seed Center, November 19, 2015. Creating a platform in which companies can share their strategies towards climate change with their institutional investors, CDP is considered as the world's most prestigious and widespread environmental initiative. 2015 Turkey CDP Climate Change Report includes the analysis of the responses from 46 companies including some from Turkey.
