

CDP 2013 Responses Process ended

CDP response process which was continuing since February 2013 ended. E&Y team is grading the responses of CDP respondent companies. After grading finishes, CDP will start to work for preparation of CDP Turkey 2013 Climate Change Report.

This year, including 39 responding companies to CDP; according to last year results, there is a big increase in the rate of CDP responding publicly-held companies (65%).

CDP Turkey Report will be announced on November.
